Empowering Students & Igniting Curiosity

PAID INTERNSHIP PROGRAM (In-Person and Remote Opportunities available)

Overview:

InnovationEDU™ is seeking driven, creative, and organized interns to support our growth across sales operations, marketing, and research. This role is ideal for students looking to gain real-world experience in education, business operations, and innovation-driven programming.

Key Areas of Support:

- Sales Operations & Client Support
- Marketing & Social Media
- Research & Grant Funding
- Media & Content Creation

Compensation: \$20+ per hour (based on certifications)

Responsibilities May Include:

- Building and maintaining contact databases
- Supporting proposal and sales workflows
- Researching funding opportunities for schools
- Assisting with social media and content creation
- Coordinating event and media logistics
- Developing templates, systems, and workflows

Ideal Candidates:

- Organized and proactive
- Excellent communication and interpersonal skills
- Interested in education, STEM, or business operations
- Comfortable working independently and collaboratively

InnovationEDU™ is an Equal Opportunity Employer and values diversity at all levels of its organization. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or protected veteran status.
