(973) 868-0334

## **InnovationEDU™ FutureMakers™ Facilitator**

**Location:** Schools across NYC Boroughs

**Type:** Seasonal (with potential for additional hours at multiple locations)

**Schedule:** 1 day per week, 2.5 hours per day

**Type:** Seasonal

**Daily Rate:** \$300+ (based on certifications)

## **About FutureMakers™ Academy:**

FutureMakers™ Academy is a groundbreaking, once-a-week, 6-week enrichment experience designed to ignite curiosity, creativity, and confidence in tomorrow's leaders. Each week, students embark on hands-on STREAM (Science, Technology, Reading, Engineering, Arts, and Math) adventures, building real-world skills through engaging, project-based learning.

## **About the Role:**

As a FutureMakers™ Facilitator with InnovationEDU™, you will guide students through immersive STREAM activities, encouraging them to explore, question, and create. You'll lead small groups in dynamic, hands-on projects that spark innovation and critical thinking. This is a seasonal opportunity with the possibility to work additional hours at multiple FutureMakers™ Academies throughout the NYC boroughs.

## **Key Responsibilities:**

- Lead engaging, hands-on STREAM learning experiences for elementary and middle school students
- Deliver and adapt curriculum using the FutureMakers™ Kit and lesson plans, emphasizing design thinking and problem-solving
- Create a welcoming classroom environment where every student feels empowered to participate and experiment
- Encourage collaboration, creativity, and curiosity through real-world challenges and group activities
- Communicate clearly with students, families, and fellow facilitators to ensure a seamless experience
- Manage classroom materials and support safe, effective project execution

## **Qualifications:**

- New York State Teachers, Paraprofessionals, Teacher Assistants (Highly preferred)
- Associate or Bachelor degree (recommended)
- Experience working with children in educational or enrichment settings (grades K-8 preferred)
- Passion for STREAM subjects and hands-on, project-based learning
- Strong communication and organizational skills
- Flexible, positive attitude and ability to adapt to new environments
- Availability for seasonal work, with potential to pick up additional hours at multiple locations

## **Why Join Us?**

- Make a direct impact on the next generation of innovators and leaders
- Work with a passionate, creative team dedicated to equity, empowerment, and fun
- Gain experience with cutting-edge STREAM curriculum and innovative educational tools
- Opportunities for growth and additional hours across NYC boroughs

**Ready to ignite innovation? Apply today and help shape the future with FutureMakers™ Academy and InnovationEDU™!**
